

## Faster Global Search for SuiteCRM

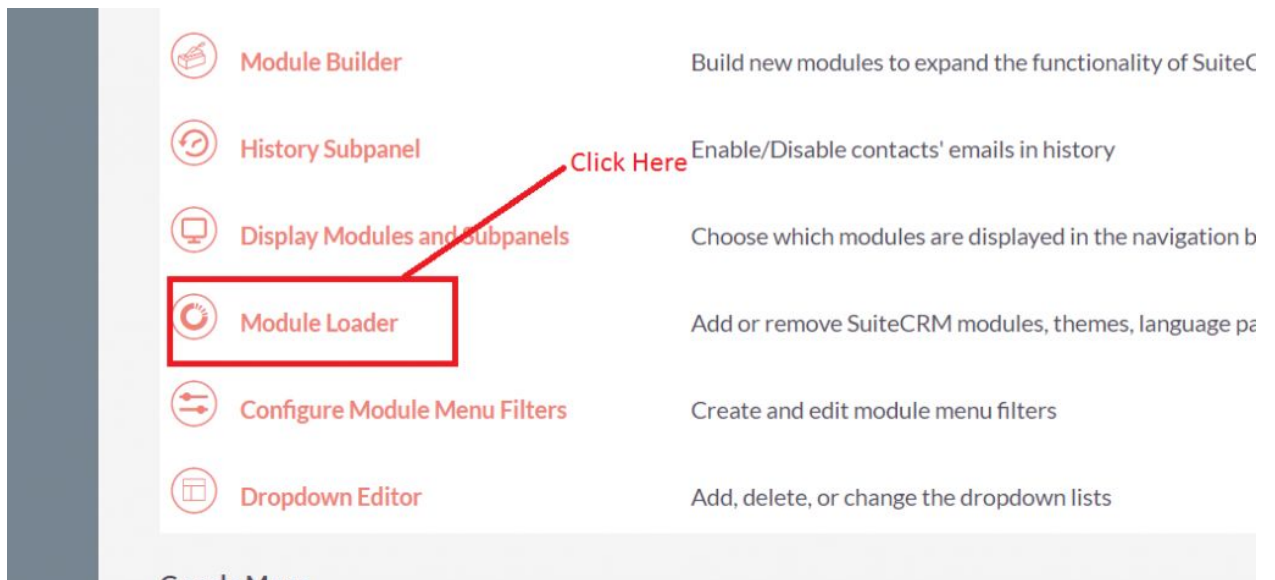

### **Pre-requisites**

Please follow the below steps before installing the Global Search.

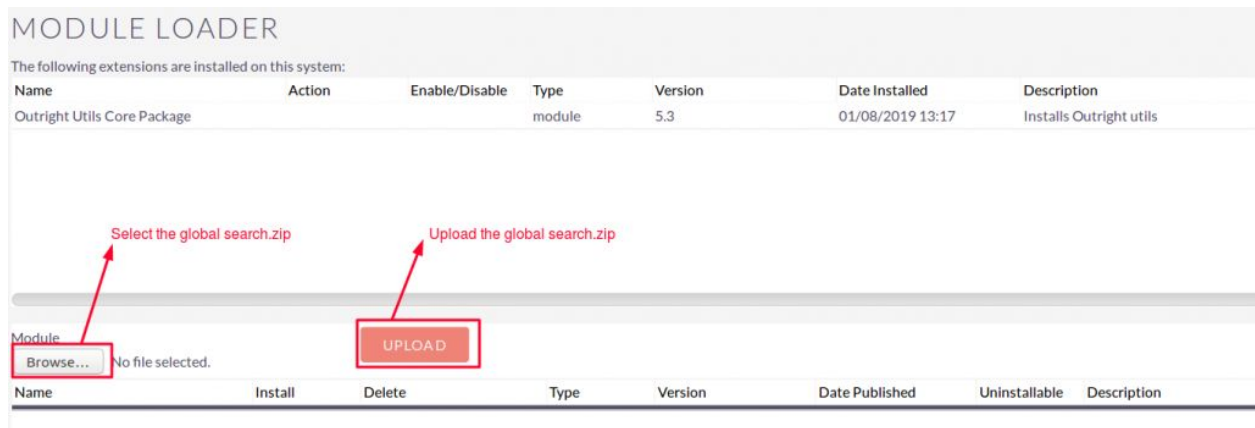

1. Log in as an Administrator.
2. Verify the CRM version should be compatible with Global Search.
3. CRM should have the Outright utils file, if not then install the Outright Utils package first then install Global Search.

## Installation Guide:-

1. Go to the Administration page.
2. Click on "**Module Loader**" to install the package.

3. Click on "**Choose File**" button and select the Global Search.zip

4. Click on **"Upload"** to upload the file in CRM and then click on the Install button.
