Hi,

Testing Outright BCC archive Feature

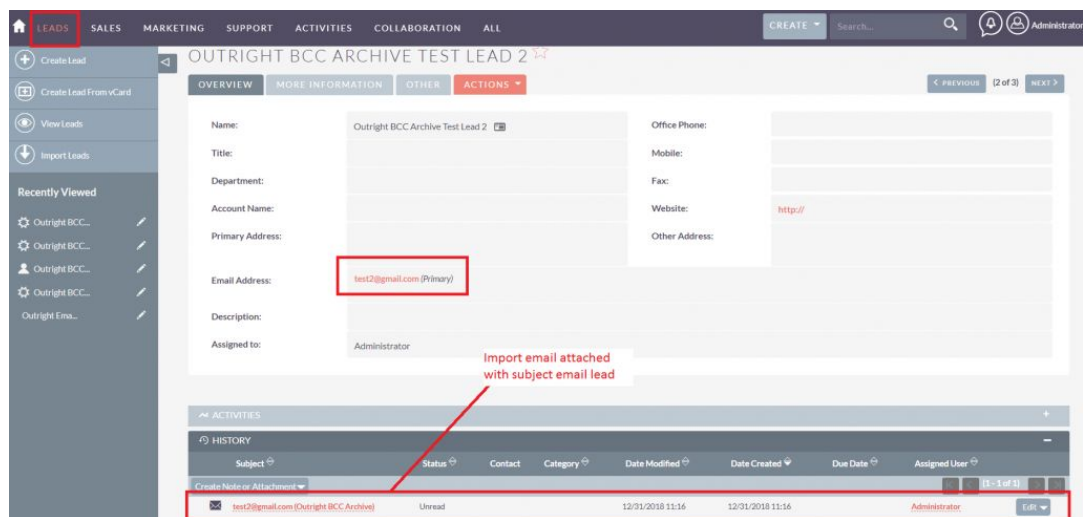

Thank You!

Send

4. Enter the Email address in Subject and Body both, then send the mail.
5. Go to the created Contact and check the history after one minute and observe that the sent mail appears in history subpanel.

6. Create the 3 new records in any other module like "Lead" with the "CC, Subject and Body" email address and observe that the sent mail also appears on both 3 new created records history subpanel.

Note:- Write an email through Gmail/outlook and put that email address in any of (to,cc,bcc) section which you have set up in New group mail Account,then put any email address in (to,cc,body and from) section of email, once email is sent then the whole conversation will get attached in CRM history subpanel.
